

The Gerry Schwartz and Heather Reisman 3rd International Conference on **Pediatric Chronic Diseases, Disability and Human Development**

Jerusalem, Israel • December 2-5, 2012

www.isas.co.il/chhd

Announcement
and call
for papers

Under the auspices of
Cincinnati Children's Hospital Medical Center
Hadassah-Hebrew University Medical Center
National Institute of Child Health and Human Development in Israel

אנו שמחים להזמין לכן הבינלאומי השלישי בנושא מחלות ומוגבליות כרוניות בילדים והתפתחות האדם, שיערך בירושלים בתאריכים 5-2 בדצמבר, 2012. הכנס, בחסות הקרן ע"ש ג'רי שוורץ והת'ר רייזמן, מייצג את שיתוף הפעולה של שלושה מהמוסדות המובילים בטיפול בילדים עם מחלות כרוניות ומוגבליות: מרכז רפואי הדסה-האוניברסיטה העברית, מרכז רפואי בית החולים לילדים סינסינטי (מוסד מוביל בנושא בריאות הילד בארה"ב), והמכון הלאומי לבריאות הילד והתפתחות האדם בישראל (NICHD). אנשי מקצוע מובילים במקצועות הבריאות, מהדסה, מבית החולים לילדים במרכז הרפואי סינסינטי וממכוני רבים בישראל וברחבי העולם, ירצו וינחו דיונים במגוון רחב של נושאים הקשורים למחלות כרוניות בילדים ובמתבגרים ולהתפתחות האדם.

נושאים מרכזיים שנעסוק בהם כוללים: טיפול בילדים ובמתבגרים עם מחלות כרוניות, טיפול בכאב, מוגבלות אינטלקטואלית, אוטיזם, ההשפעה של מחלה כרונית ומוגבלות על התפתחות האדם, שיתוף בקבלת החלטות ואסטרטגיות להבטחת מקומם החברתי והחינוכי של ילדים עם מחלות כרוניות ומוגבליות. נדון גם בנושאים אחרים כגון: הפרעות גינקולוגיות/אנדוקריניות במתבגרים, אלימות, הפרעות אכילה, מחלות נפש ושיפור איכות הטיפול.

ההרצאות והסדנאות בכנס מכוונות לאנשי מקצוע מכל הדיסציפלינות המעורבות בטיפול בילדים ובמתבגרים עם מחלות כרוניות ומוגבליות וכן לאלה העוסקים בתחומים של התפתחות האדם ושל בריאות הציבור. הנכם מוזמנים להשתתף בכנס ולשלוח תקצירי מאמרים ועבודות. מידע לגבי תקצירים, הרשמה ופרטים נוספים בקשר לכנס ניתן למצוא באתר הכנס: www.isas.co.il/chhd

אנו מקווים לראותך בירושלים בכנס מעניין ופורה אשר יקדם את מטרתם של ילדים עם מחלות כרוניות ומוגבליות ויתרום להבנת התפתחות האדם.

בברכה,

תומס ג. דה ויט

מרכז רפואי

בית החולים לילדים

סינסינטי

איתן כרם, ישעיה וקסלר, אריאל טננבאום

מרכז רפואי הדסה

האוניברסיטה העברית

יואב מריק

המכון הלאומי לבריאות הילד

והתפתחות האדם בישראל

תקצירים:

יש לשלוח תקצירים באנגלית (עד 250 מילים)

למזכירות הכנס לכתובת: confer@isas.co.il

מועד אחרון להגשת תקצירים: 15 באוגוסט 2012

Child

Organizing Committee, Israel

Prof. Eitan Kerem, Hadassah-Hebrew University Medical Center

David B. Marcu, Israel Elwyn

Prof. Joav Merrick, National Institute of Child Health and Human Development in Israel

Dalia Nissim, Ministry of Social Affairs and Social Services

Chana Yamin Sharki, Shalva

Dr. Ariel Tenenbaum, Hadassah-Hebrew University Medical Center

Prof. Isaiah D. Wexler, Hadassah-Hebrew University Medical Center

Cincinnati Children's Hospital Medical Center Planning Committee

Maria T. Britto, MD, MPH, Cincinnati Children's Hospital Medical Center • University of Cincinnati College of Medicine

Thomas G. DeWitt, MD, FAAP, Cincinnati Children's Hospital Medical Center

Jessica A. Kahn, MD, MPH, Cincinnati Children's Hospital Medical Center • University of Cincinnati College of Medicine

Michelle Kohn, Regional Manager for Israel, Cincinnati Children's Hospital Medical Center

Peter Margolis, MD, PhD, Cincinnati Children's Hospital Medical Center • University of Cincinnati College of Medicine

International Organizing Committee

Ellis D. Avner, MD, Children's Hospital of Wisconsin • Medical College of Wisconsin

Donald E. Greydanus, MD, DrHC (ATHENS), FAAP, FSAM (Emeritus), FIAP (H), Michigan State University College of Human Medicine • Michigan State University/ Kalamazoo Center for Medical Studies

Robert Kliegman, MD, Children's Hospital of Wisconsin • Medical College of Wisconsin

Kerim M. Munir, MD, MPH, DSc, Children's Hospital Boston • Harvard Medical School

John Joseph Reisman, MD, Children's Hospital of Eastern Ontario • University of Ottawa

Leslie Rubin, MD, Institute for the Study of Disadvantage and Disability • Morehouse School of Medicine • Emory University • Developmental Pediatrics Specialists • The TEAM Centers

Abstracts: Submit a standard abstract of 250 words in Word format to confer@isas.co.il no later than August 15, 2012. The abstract should have a title, full author name(s) with academic degree(s), full address and affiliation of corresponding author, including email.

Confirmed Plenum Speakers

Alan Apter, MD, PhD, Professor and Director, Department of Psychological Medicine for Mental Health; Director, Feinberg Child Study Center, Schneider Children's Medical Center of Israel
Depression in adolescence

Ellis D Avner, MD, Director, Children's Research Institute of Wisconsin, Associate Dean for Research and Professor of Pediatrics & Physiology; Director, Research Center of Excellence in Pediatric Nephrology, Medical College of Wisconsin, Children's Hospital of Wisconsin
Polycystic kidney disease: A model for treating genetic-based chronic diseases

Rami Benbenisti, MSW, PhD, Professor, Louis and Gabi Weisfeld School of Social Work, Bar Ilan University; Professor Emeritus, Hebrew University of Jerusalem
Child abuse and neglect

Itai Berger, MD, Director of the Neuro-Cognitive Center, Division of Pediatrics, Hadassah-Hebrew University Medical Center
Dealing with learning disabilities among children with chronic disease

Maria Britto, MD, MPH, Director, Center for Innovation in Chronic Disease Care; Assistant Vice-President Chronic Care Systems, Cincinnati Children's Hospital Medical Center; Professor, Department of Pediatrics, University of Cincinnati College of Medicine
Improving systems of care and outcomes for children with chronic conditions

Brenda Finucane, MS, CGC, Executive Director, Elwyn Genetics; President, National Society of Genetic Counselors
The promise of targeted pharmaceutical treatments for developmental disabilities

Kenneth R. Goldschneider, MD, Director, Division of Pain Management, Cincinnati Children's Hospital Medical Center; Associate Professor, Department of Pediatric Anesthesia, University of Cincinnati College of Medicine
Chronic pain syndromes in adolescents

Robert A. Jacobs, MD, MPH, University Center for Excellence in Developmental Disabilities, Children's Hospital Los Angeles, University of Southern California
Comprehensive care of children with special health care needs

Jessica Kahn, MD, MPH, Assistant Chair, Academic Affairs & Faculty Development, Cincinnati Children's Hospital Medical Center; Associate Professor, Department of Pediatrics, University of Cincinnati College of Medicine
Diagnosing and managing eating disorders: A chronic disease of adolescence

Eitan Kerem, MD, Professor and Chairman, Division of Pediatrics, Hadassah-Hebrew University Medical Center
The changing face of pediatric chronic care in Israel

Mijal Luria, MD, Director, The Center for Sexual Health, Department of Obstetrics and Gynecology, Hadassah Mt. Scopus Medical Center, The Hebrew University of Jerusalem
Sexuality for those with intellectual limitations

Joav Merrick, MD, MMedSci, DMSc, Professor and Medical Director, Health Services, Division for Intellectual and Developmental Disabilities, Ministry of Social Affairs and Social Services; Director, National Institute of Child Health and Human Development in Israel

David Ervin, CEO, The Resource Exchange

Providing optimal care to people with intellectual and developmental disabilities

Peter Margolis, MD, PhD, Co-Director, Center for Health Care Quality; Director of Research, James M. Anderson Center, Cincinnati Children's Hospital Medical Center; Professor, Department of Pediatrics, University of Cincinnati College of Medicine

New models to transform chronic care delivery by engaging patients, clinicians, and researchers

Yehuda Neumark, MPH, PhD, Professor and Director of International Master of Public Health (MPH) Program, School of Public Health and Community Medicine, Faculty of Medicine, The Hebrew University of Jerusalem

Alcohol and drug abuse among Israeli adolescents

Joe Reisman, MD, FRCP(C), MBA, Pediatric Respiriologist, Children's Hospital of Eastern Ontario; Past Chief and Chair, Department of Pediatrics, Professor, Department of Pediatrics, Faculty of Medicine, University of Ottawa

Transition to adult care for the adolescent with a chronic condition: Challenges for the patients, their families and society

I Leslie Rubin, MD, President, Institute for the Study of Disadvantage and Disability; Research Associate Professor, Department of Pediatrics, Morehouse School of Medicine; Co-Director, Southeast Pediatric Environmental Health Specialty Unit, Department of Pediatrics, Emory University; Medical Director, Developmental Pediatric Specialists

Dealing with healthcare disparities

Jorge Srabstein, MD, Medical Director, Clinic for Health Problems Related to Bullying, Department of Psychiatry and Behavioral Sciences, Children's National Medical Center

Bullying related morbidity: Rediscovering the syndrome of maltreatment

Ariel Tenenbaum, MD, Department of Pediatrics, Head, National Down Syndrome Center, Hadassah-Hebrew University Medical Center, Mt. Scopus Campus

The rightful life: Down's syndrome as a paradigm

Isaiah Wexler, MD, PhD, Associate Professor of Pediatrics; Director, Center for Pediatric Feeding, Nutritional, and Metabolic Disorders, Hadassah-Hebrew University Medical Center, Mt. Scopus Campus

The medical home: Innovative paradigms for healthcare delivery to the most needy

Anne Zajicek, MD, PharmD, Chief, Obstetric and Pediatric Pharmacology Branch, NICHD, USA

Mapping the future of research in pediatric chronic disease
